

Refer a Friend

Referrer: The existing Avid Energy customer who is signing their friend up to switch to Avid Energy

Referee: The person who is being referred by the existing Avid Energy customer

1. The Refer a friend offer is open to existing Avid Energy customers only
2. You must have your Avid Energy Meter installed before you can refer a friend.
3. At the time of sign up, your friend (referee) must not have been referred by another Avid Energy customer (referrer)
4. £25 credit is issued to existing customers (referrer) and new customers (referee) who sign up under the refer a friend offer.
5. The referrer and the referee will each receive £25 credit on their electricity meter when the referee successfully switches (upon meter installation) their energy to Avid Energy.
6. The referrer and referee will both receive their £25 credit at the time of the referee's installation.
7. The £25 credit will be applied to the electricity meter only.
8. This offer is applicable to all our tariffs which the referee has signed up to.
9. There is no limit to the number of new customers that the referrer can refer to Avid Energy. £25 will be provided for each referral as per terms above.
10. Avid Energy reserves the right to remove or clawback credits applied through the Refer a friend scheme if fraud or abuse is suspected or credits are made in error.
11. Credit will not be applied if the referee can't be installed for any technical reason.
